## Veteran Car Club Membership Types

The Club has seven types of membership: Full, Associate, Young Associate, Family, Bearer (Corporate) and Junior (with or without Gazettes).

Full, Family and Bearer members can enter and drive cars in an event, an Associate member can drive a car entered by a Full, Family or Bearer member. Full, Associate and Young Associate members each receive the Club's Gazette and can vote at Club AGMs. Family and Bearer membership entitle the holders to one Gazette and a single vote at Club AGMs.

Family membership is intended for family groups where more than one family member wants to enter and/or drive the family's car in events. Similarly, Bearer Membership is intended for organisations and companies where a number of partners or employees may wish to enter and/or drive the car.

You do not have to own a Veteran or Edwardian car to become a Member. Almost half our membership are Associate members, and they have a vital part to play in the life of the Club.
